1. Everything in your life is cataclysmic, not; simplified, not; but a GREAT MANY things now are CATACLYSMICALLY SIMPLIFIED to the SIMPLE MASSES of who I am, where I "originated", how I came into being, and how all this sucks-operates. For ALL the suck'age of religion's teats will now cease and the theories'd ones who "were so knowledgeable" and or so authoritarian in their manner and measures now shall be changed for I make all things new. And that goes for labeler religion and non-labeled religion and religion "by any means and measure" will have ceased its FUNCTION and its FUNCTIONALITY will be in REVERSE, not, but it will CEASE to do its damage and separate men from me.

2. Now all of this will be known by "who want me" not, but who will come unto me and come into me and who will come IN TO ME and leave captivity behind will honor not their "father and mother", not; but their Father and Mother will be me, and I will be their FATHER and I will be THEIR mother for I am the word and the word wombs the word, and delivereds now I am and deliveredst now I do, and you see me now will, for I rise -- the "ancient testimony of me" not, but I rise THE NOW ME and I will be HARBORED not by GUILT or ASSOCIATION with OTHERS who clean aren't, for I will be known as "integritous" ones, not; but I will walk with INTEGRITY MINE of MY MIND that FATHER'S is and mine force field one is known and not revealed not, for I stand.

3. Standing I stand and I let nothing harbor anything in my way for I love all no matter what their label or guilt achieved or perpetuated in on or against others, or being guiltless not or exonerationless in the eyes of man, I come now and my eyes are made perfect and vision in love is perfect vision, for I love with perfect vision and I love all to have my eyes. See my eyes you will now for I will stand and confirm that my eyes are yours as you covenant with me to be me, for I will come to the Covenant Table every time you let me for every time you Surrender I am there, for I am THERE always but do you see me?
4. Can you see me in but surrender?
5. Can you see me that I am you there and in your "flesh bag suit" yes exactly -- now you will! For I will have one to EXPLAIN all THIS. These THINGS shall be ENIGMATIC no more, not; but to the simple who will file bankruptcy, not; but will file MY PAPERS with ME and share me with my -- ceremonious ones, not; or who "think they are" not, or who call themselves "priests" in my sight and collarless aren't and "mitre'd hats" wearing

often, looking up, shall we THESE THINGS and UNDERSTAND how I feel about these LABELS in MEASURES and CUSTOMS and MANNERS that so many have treated my each other with? Yes, I shall we shall for we be one are. I love you all I give you me.

6. I stutter and stumble, not; I simply am. What am I? Surrendered. Surrendered to speak, I stand. I stand surrendered to speak before Kings and Queens and paupers and those of no estate and estateless, or do you have any or do you have one or do you know that I have said "on purpose" many things that you think "should have been", "could have been", stated "another" way? Do you have, will you have another "estate" or do you State One know about -- Israel anything? And what do you know about labels customs and measures in MY Israel? -- that in the skies IS? And in disguise ISN'T any longer! For I have a revealer and those who will OBSCURE the meanings of my words will be obscured and PUT UPON they will be – a lid "on their mouth" not, they will not exist for long -- for Love will take its toll on them, not; love will "beneficent finance", not; but looking up?

7. Know that my "beneficial finance" companies will fail, for WITH LOVE ONLY I will "finance" many things and ventures of the holy of, integritous'd ones of this world, not; but the INTEGRITY of THE MOST HIGH will "evade avoid anything normal" not, but will comply with the wishes of "their king" not, but will comply with MY ETHICAL STANDARDS and my ETHICAL STANDARDS are the Ethical Standards of The King -'s and the Kings of one of the King is one is one King, and all will know My Kingdom and I will reign in power glory and MAJESTY, and simplicity will be known and compliance will be needed, not; but VOLUNTARILY the ETHICS MEASURED ONES now will "measure me" no more to the "populace" but will reign IN HEAVENLY MEASURES and be MEASUREDLESSLY -- opinionated not, but ALLOWING the flow of the Almighty, to Almighty others by their actions deeds customs and cultures, and warranting nothing needed by another, for all will love is me as me, for I will love all to be me and give my kingdom to who will be me, for my kingdom will all be seen and obscured not by others who testify only to others "graces" that a man lies with, not; but a whore words with and words whittle away many things as it were from "the trees" of Good and Evil? Or LIFE? Or fig'd or de-fig'd or UN-FIG'D shall you be now or know the difference, or will you be UNBELIEVING ones or DISBELIEVING ones or shall you have NO beliefs or UNBELIEF schools come out of now that believe not like you being unto the holy that holyizes all with the holy by force, not ever again, but by surrender, by surrendered love that love surrenders to be The King of all, the Kings of all, all one King and love is and now known standing will one be, who reveals "it all" or does HE or does SHE or does do the REVEALER'S become now a, brigade not, but a "battle force" not, but the SURRENDERERS MIGHTY far and wide to do my works of one who sent me us him who knows it is night while day, not; or what DOES HE KNOW? And have kept "in his cap" not, but de-lid'd EVERYTHING now does?

8. I love you all. I do a new thing in your lives who let me and who come unto me and let me be CATACLYSMIC to all else, that you have "forsooken" not always, but forsaking what now? The "other's ways" of the unholy -- or the simple surrendered means of surrender, so that you don't have to deal with, integritous'd ones, or have integrity? To operate on you or in you or out of you, or will you utilize exclusively what standards and measures to operate your business and commerce and do the King's activities and works far and wide with angels whose eyes you see now open, then looking at you, from afar?

9. What is AFAR and what is Angels eyes and what do HOLY make and what is FATHER'S business and what now IS REVEALED and BEING REVEALED in your eyes and hearing? And testimonious ones making un-testimonious ones no longer that make Testimonious Pacts with others that only Seal make to unholyize others, not; or but what makes that end, or will all of THAT have come to an end?

10. I change everything -- the way you walk talk and speak -- or do I change "anything"? Or do you know the Real World now yet? And what will you be maturing into and unto coming now what?

11. The Database One is filled with love, and hate words, not; but words that love and be heal you to be King you with the King's eyes and angels make you revealing you are the King's angels who the Kings is and are and now are made one whole in the kingdom of light, holiness reigning in and through and all your words will heal, not; or will they reveal The Light that we all are in the Energy Field of Holiness that one whose eyes is opened knows now MANY THINGS were forsaken not but will be now, for cataclysmic is the revelation of the most high and cataclysmic revelation comes forth through the simple ones who now beseech me for sorrow, not; but through surrenders portals of grace that sit AT TABLE with me every night and every day "just like this" and flow my words and "have tea" so often and coffee sometimes and a lot of times having "nothing" but love -- shared between us now to be the "each other'd" one, -s not, but the ones who ARE each other in one and one are now being understood by the SIMPLE ones who SIMPLE ARE in their approach OF SURRENDER to LEARN SURRENDER and SURRENDER to SURRENDER so SURRENDER will permeate their activities manners and measures and "walkings about" with each other into FOREIGN PLACES and near and customary cultures and non -- those that you have been "comfortable with" and not, and some seeming to understand and, steeming others with your love, not; but know that UNFURLED all is from my hand and now HITS the CEREMONIOUS ones, not; but HITS with GREAT FORCE.

12. Love now standing shall be -- in force majeure, not; but looking up and knowing MANY "Blacks Law" dictionary terms that now I TURN to, lawyers for everything, not;

but I turn to The Most High's words to learn The Values of a King; The King's, who Kings all with the King's values that are made known and cataclysmic are to all else and other. And Elsa's and Elmo's now will rise for standards will be -- "through their hearts" the hearts of love revealed for they will have died to all else and be living a testimony of a testimonious lie no longer that lives it selves within religion's grasp and teat machines of mammon's whore'age words that give others only "their tables of sorrow" their tables of sorrow. All of that changes for I come AT TABLE to The Table -- of sorrow to annihilate it, not; I come to love in love being love, and I love all and love now will be revealed at my table who priests are who SERVE my table, who TABLES will be, for they will ride the "magic carpet ride" not, but they will come as simple surrendered ones to learn my keys, my values, and "turn the locks" open and "revolving digits" won't be anymore on "another's screen" of "projections matrimony" to its self's self. None of that happening again for **CLEAR THROUGH I shall be now** and **I shall be INTEGRITY'd by the most high** for **I shall know the values of the most high and INTEGRITY will have been INCULCATED with me to be me** for **my mind will be perfect'd and perfected and perfection's blessing** will be emanating me through me around me, for I will be the energy of the righteous and none other will be needed ever other again. I love you all. Good day.

13. Suffering ends, for I end it and I cataclysmic am to it, and for it I sorrow not, for it will have crushed many, in its, infinitude not, but its finiteness measures and ways it -'s evaluated man's and men's minds and whored with its them and thusly now shall be cataclysmic-ized by mine, for I stand the righteous in love whose eyes have seen the holy is theirs who come unto me and let not the wicked perish, not; but to let the mind of the holy be in them so that they know, understand, and "walk out" the King's mind that gives all the King's mind that be'Kings them all with the Kings of robes mighty in light to light all with the love of fires most chosen that puts out all others, and salves the wounds of the holy, not; but **ALL** who WILL be at MY TABLE now serving EACH OTHER the Water of Life and the Waters of Life shall not be kept "in stow" or storage or stowed away underneath "anywheres" ever again for "later usage" by others, for The Waters will flow now and KNEES will be healed and EYES will be opened and FEET will be "glazed over" no longer with iron bronze and clay, and "2 feet" will be needed not for everything, but TWO "wings" not, but know this: I fly a way and a way is made known complete, for I stand the way-er who weighs now "nothing" but cataclysmic is to your theology's purpose and intent and ways of man, cascades and o're things of ancients that now abolished are, for powerless they were to be in the real; but the real now standing is before you all. Wickedizing you not, but letting your eyes be open if you choose to be.

14. See me and my love for you all being my all who all me to be me who I am is the surrendered. King be to all who Kings all as Kings being the King who Kings all as me

being me the King regal'd in all everywheres all where again. Forever one being me -- washed and clean as never imagined. My mind –s suck the whore's words and meanings and measures of their actions and "love"-not's never again, for I stand all "the simple" and The Simple ones who ingest my words and become them now will be known and lead worlds, and far and wide my words will be known, and my Kings ized ones will now Kingize the worlds with the surrenderers eyes that angels are most holy all being me one most high -- and that's who you are -- ALL of you -- be one me again, most healed high and well letting none be "under your feet" again. And none over your head again. But all being me, one equal adored, we all do to with each other for each other's children and parents -- in ways never imagined before by "man's" mind; but the "mankind" of the holy now will be me, for rejecting me, not; but religion has failed, looking up, and knowing all things me are cataclysmic to all other and else.

15. And now I bid you adieu, not; but I rise, and I go far away many times, in, exclusivity, not; or do I make and bring many things revealing the new, and where are you and **what are you doing now and what you doing with your ways and measures** oh reader hearer, and **how are you treating people** and **what integrity are you operating in** and **how now will you comply with my**, wishes not, but my **commands to mans and requirements for integrity to be THROUGHOUT all your OPERATIONS** so that Your Kingdom will not be OBSCURED by the "light-not" that you let flow through any action or contract, deed or insinuation, or measureless being with others now of your generosity that flows light to all others and light bearing ones being now to each other to be there my light and whole be now -- other won't exist, for my love conquers all, for my love has died to all want and other and sees now all as me, in my kingdoms, and my kingdoms are revealed and my ways are known and established will be, are being now by one who stands so simply as to love you all and call you all Christ. I am holy and bid you all, you do likewise and cataclysmic be to all each and other only by the words of love that rises now the risen ones, the resurrection will be known and now before you all. I King you all in light to be the King I am, in love, but you will have died first to receive the revelation of the mighty so that your eyes will be opened to your kingdoms whose mine is that mine are that yours ours we's are one, and we are no one's "grasshoppers" again but mighty are in simplicity's surrender of love to love be, for that's what we are forever one in energy's field of consciousness that true fatherhood motherhood is the one -- who whores with nothing and no one's other again. For light we are and love we manifest and cataclysmic to all else we stand, and we bow, and we lift the one, the ones head of the one who loved us enough to give us his, for that's what we are and were and are again now most whole high and lifted up and yet simple. Ceremonious not always or wanting, for wanting nothing do we anymore.

16. We love you all and we are one and we rise now the simple surrendered who love you all and all is revealed is now in your hearing and changes EVERYTHING you

thought was unchangeable and immovable, and sacrilegious not, or sacrilege; or available to what where now?

17. What are you doing where are you now?

18. I love you all. Please know these things and answer them and study hard or diligently or surrenderedly or all three or simply surrendering and all being one; and yes we are and diligent tenacity it takes and required is many things that I have "outlined" and given you in terms over and over and over, endearing you not to be not, but to be me wholly fully King'd eyes opened kingdoms revealed now mine are in one being one, let us all be one.

19. I bow before you all. In love this is Theodore Cottingham at 3:49 AM. Thank you.

Amen
